# PRESENTING

TWO UNIQUE COLLECTIONS THAT MAKE UP ONE BODY OF WORK.

MAY FURNITURE was founded in 2012 in Brooklyn, New York by multi-disciplinary artist, designer, and craftsman, Travis James.

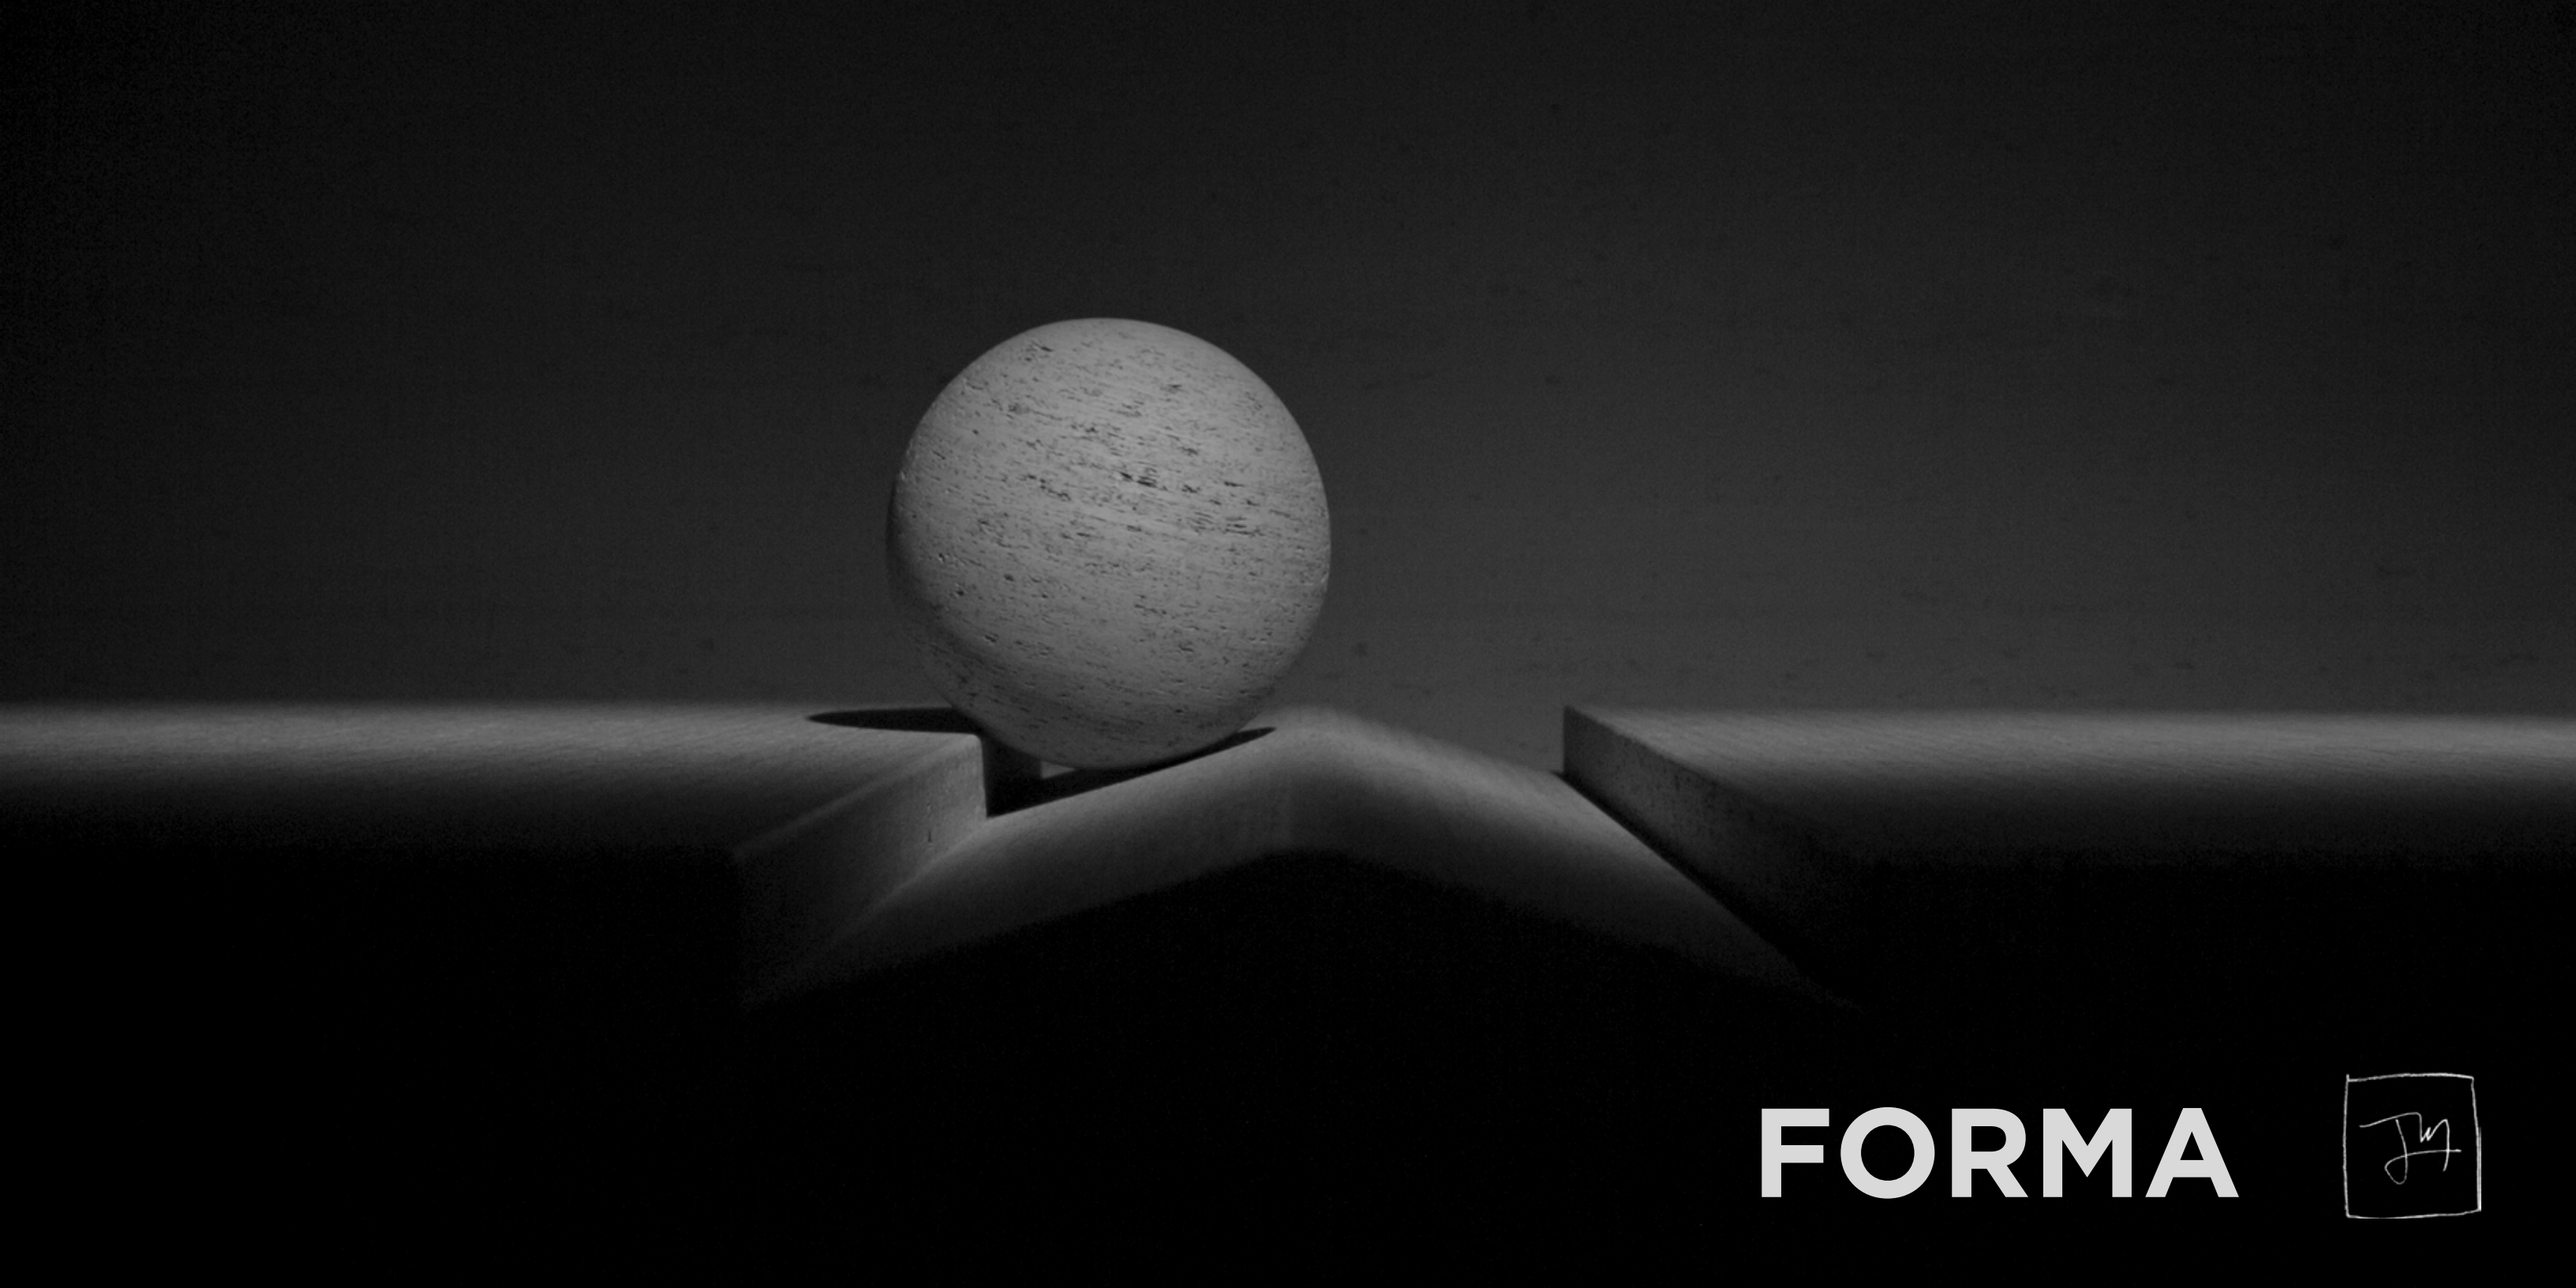

Since inception, MAY has captured the attention and recognition of a world-wide audience. Clients include private residential, hospitality, interior designers, architectural firms, and prominent institutions that include MoMA New York, Peter Marino Architect, Jean-Louis Deniot, Pembrooke & Ives, and Drake Anderson.

MAY produces original designs of indoor and outdoor furniture, lighting, and sculptural panels inspired by modern and brutalist architecure with consideration for utility and high art.

Here we present FORMA and HERITAGE.
Two unique continuous bodies of work  that make up the MAY FURNITURE COLLECTION.

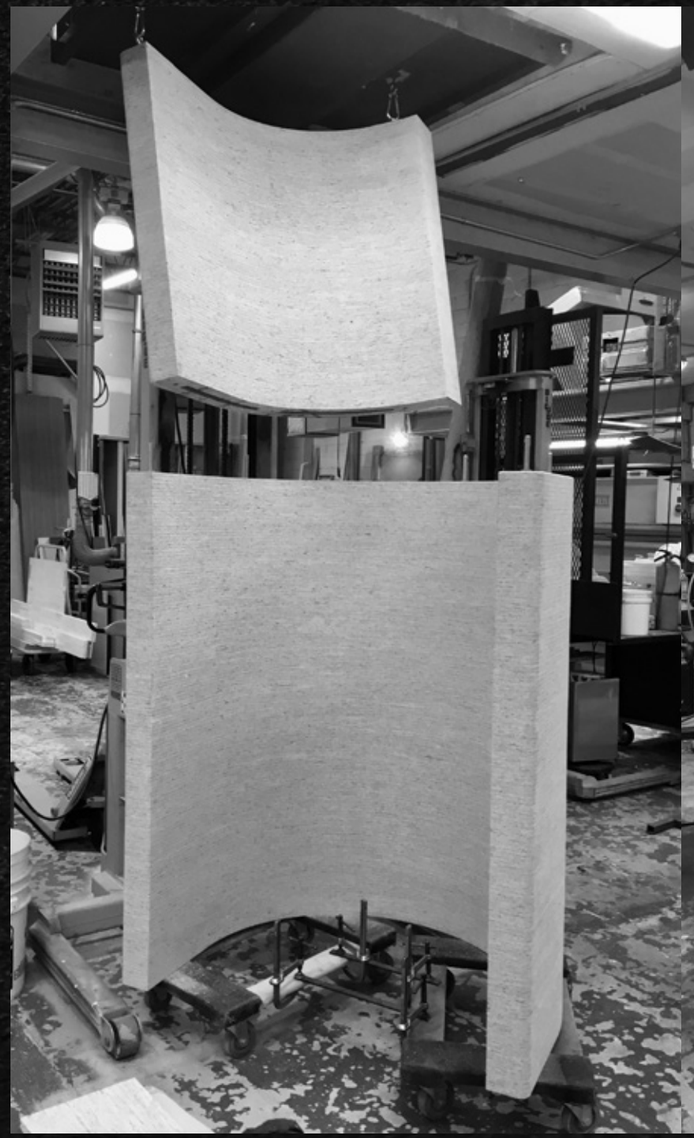

**FORMA** | SCULPTURAL. BOLD. ARCHITECTURAL.
MAY's signature collection inspired by brutalist and Roman architecture consisting of sculptural furniture, lighting, and objects that pair utility with high art.

**HERITAGE** | MINIMAL. PRECISE. TIMELESS.
Represents an original collection of contemporary furniture utilizing traditional craftsmanship techniques to create timeless designs with an acute attention to detail.

HERITAGE

# CHICAGO SERIES

Chicago architecture has a rythm all its own. A big city surrounded by stretching farmland horizons, Great Lakes, and neighborhood communities.

Tiered legs, horizontal kerf  grooved doors, and subtle reveals speak a language of  a big midwestern city within these structures.
